

Windows Backup Tasks

Instructor: John Ellsworth

Phone: 623-561-1980

E-mail: john.ellsworth@cox.net

Description of Class: This class covers backup tasks for Windows. It will demonstrate file backup, image backup, disk cloning, and Cloud services. Both free tools and purchased options - Acronis (purchased software) and Clouds (monthly fee) will be discussed.

Student will learn: How to choose appropriate tools for their specific case.

Prerequisites: Students should have a Windows computer and be familiar with the basic aspects of using the mouse and keyboard. This class will be useful for new computer users.

Software Used: Windows 10 Home Premium Library

Special Setup: Files will be provided on the classroom computers to use in this class.

Number of Students Required: Min. 5, max 10 students.

Offered: This class is offered twice.

Wednesday December 7 2 – 5:00 PM

Wednesday February 15 2 – 5:00 PM
