Editor Nick Marselos

### Coming Events

**Computer Talk JANUARY 5, 2017 at 7:00 PM Lakes Ballroom**

## Drowning in Digital Media!

Storing Photos in the Cloud & other helpful tips

*JANE de LONG, Consultant, “Tech Training for Adults - Without Fear”*

*Jane has 25 years management experience which included working with technology. For the past several years, she has provided training to Older Adult on PC's, Apple Computers, Smartphones, iPads and more. She provides services at Freedom Plaza, Victory (55+ at Verrado), etc. offering one-on-one help and tech presentation.*

### *Come and Learn!*

- Keeping your photos and videos organized on your devices, computers and cloud platforms.
- Terms and cloud platforms are changing constantly, such as Dropbox, iCloud, Google Photos, Amazon Prime Photos, and more
- Our photo libraries growing bigger every day. We will cover storage, downloading, scanning, organizing and creative ideas to make your photos useful for you and all generations.

## **WORKSHOPS**

**Apps Workshop** January 11, 2017, 2-3:30 PM Lakes Computer Room 2

Bring your laptop, tablet or smartphone. We'll explore some of our favorite Apps. Bring your questions and we'll figure out the answers!

**Genealogy Group Meeting** January 18th, 3 – 4:30 PM Lakes Computer Room 2

Topic: *Breaking Through the Brick Walls*

Bring your lap top, tablet, or what you use to record your research.

## **TIPS and HINTS**

**What if you forget your Windows 10 password? What do you do?**

There are several ways out of this dilemma.

**[Read About It Here](#)**

**Have a broken Phone, Tablet or Computer?**

*A new local business can fix you phones, tablets and computers. It is located inside the Walmart in Glendale at 83<sup>rd</sup> Avenue. Their card says “Let us quote the repair of your broken device.” Their ad highlights Iphone and iPads, but they also repair non-Apple devices. Phone 602-899-6610 or 520-201-5604.*
