Editor Nick Marselos

Coming Events

Workshops

Genealogy Workshop

July 13th

from 2:00 PM - 3:30 PM at the Lakes Computer Rooms

Bring your laptop or notebook or however you keep your notes.

Remember to charge your device.

Apple Talk Workshop

July 11th & July 25th

from 10:00 Am – 11:30 AM at the Lakes Computer Rooms

Bring your Apple device and your questions.

Computer Club is in vacation mode from May through October. We do not hold classes or Computer Talk lectures, but the club is still active.

Computer Lab is open all day every day for your use. Come and see what you can do with our many workstations. Visit the Computer Lab in Room 2 at the Lakes Rec Center. Remember to ask for the key at the Lakes Reception Desk.

The Computer Club is not accepting donations of old Computer Equipment. We will inform you when the club will resume taking donations of used computer equipment.

TIPS and HINTS

Online Brokerage Accounts: What You Can Do to Safeguard Your Money and Your Personal Information

Are you afraid someone will get into your online brokerage account and steal your money. What can you do to protect yourself? Click below to learn more about safeguarding your accounts:

Ransomware Attacks Continue

The news tells us we have a new wave of ransomware attacks. The best defense is to keep your computer operating system current. One additional thing you can do to protect yourself from this insidious attack is to back up your computer regularly. Use a separate hard drive and backup software, or subscribing to a backup service that constantly backs up your computer.
