## TIPS and HINTS

### Microsoft Large Update

Microsoft has a major update for the fall. It contains significant new features to connect you PC and smart phone, as well as integration for IOS users. You may have already had it installed on your computer, if not, you will see a popup message asking when you want the update installed. Plan on it taking some time to install this update. To find out what you're getting, click below:

### Don't Say "Yes" on the Phone!

The old Verizon commercial has the punch line "**Can you hear me know?**". You may receive a phone call opening with this. If you do, say nothing and hang up immediately. This is a **SCAM!** The phrase is used to have you say the word "Yes". It is a con. They want to record your voice saying Yes to use it for nefarious purposes. Learn more below:
