

# Child Life Wish List

**Your donations make a child's day brighter!**

**A few quick guidelines:**

- Please make sure that all toys are **new** (because of infection control) and paints and glues are non-toxic.
- Please do **not** donate play guns or war toys, latex balloons, scary action figures, candy, gum or other food.
- New books in both English and Spanish are always needed.
- **Gift Cards** are very useful and always appreciated. Smaller denominations.
- The most requested items for each age group are in **bold**. Groups displayed as a link will link to a PDF for that group only.
- Age groups that always seem to have the highest need for donations - **Infants, Toddlers, and Adolescents.**

Of course, Phoenix Children's and the patients and families here, are appreciative of ALL donations throughout the year.
