### *Editor's Note*

I have been the editor of the Computer Club's newsletter for several years. This will be my last issue as editor. I thank Dianne Doerschel, President of the Computer Club for her support, as well as the many club volunteers who have helped with articles and ideas in making this newsletter helpful for our club members. The new editor will be Joyce White. She will continue the tradition of keeping club members informed of club activities and the latest in technology.
